

# Lake Hiawatha Swim Club

A not for profit organization  
**Welcome to the 2017 Season!!**

**Thank you** to all of our loyal members!! By joining our club and getting new members to join the club, has enabled us to have a minimal rate increase for this year. We do our best to control operating costs without hindering the safety and appearance of the club. All of the funds that come in go to cover repairs, expenses, payroll for the certified life guards, and maintenance of the grounds and buildings. This winter we completed the second phase of concrete replacement around the pool. We also boast having the clearest cleanest pool water around!! Your all volunteer board of directors works hard for you all year round to make sure you have a pleasant, relaxing and fun filled summer.

**LHSC Photo ID. Renewing members** are to keep last years ID cards. We will validate them from our computer once you have paid for your membership in full. Make sure you list all of your family members that have cards, failure to do so will result in non validated cards and you will not be allowed to enter without proof of payment for those cards. **No exceptions**

*Next year for 2018 you will re use your card from this year and we will update your scan code once payment is made*

**New Members** You must fill out the application clearly with a valid e mail address. You can **mail in** your completed application with your payment. You then will pick a photo date from below and have your photo IDs taken. Please try to have all of the people present at the same time for photos to avoid confusion and any problems later on.

Please remember to **fill in your E mail address** on the application. We will only use this for club business and notifications. This will help us to keep you informed of coming events and any changes to the calendar.

**Attention all new members: Avoid last minute lines! Get your photos done as soon as possible**

**Note:** Check our web site for updates and changes to the calendar. For more information you can send us an e mail.
